

Lee Edwards Entertainment Wedding Event and Time Flow Sheet

The following information is needed to ensure that your wishes and preferences are carried out during your wedding reception. Your disc jockey will be happy to announce and emcee the events that you have chosen. It has been our experience that receptions flow smoothly when the timetable is coordinated by either a wedding director, caterer, photographer, or a relative or friend that can act on your behalf. However, if you prefer that a disc jockey coordinate these events, we will be very happy to do so.
